Subject: Lahaina Injection Well

Dear Ms. Rumrill,

Please consider this email an official request for another public hearing on the Lahaina Injection Well Permit process in the County of Maui in the state of Hawaii.

Might I say that as an attendee of a previous public hearing on the same subject, I am baffled that the EPA has any doubt as to the deleterious, and, no doubt, illegal continuation of sewage injection in its entirety. Public officials like you may have had the best intentions when sewage injection was first approved. However, I can think of no facts, science, or rationale that can justify its continuation. The evidence of the need to radically reduce the impact of sewage injection on Maui's reefs is overwhelming. I am surprised another hearing is necessary, considering the preponderance of evidence and public sentiment the EPA was presented with at the last hearing.

Yours Truly
Gordon Clay
